Happy 2010 !!!

Welcome to the Rozko Update!

We loved hearing from and seeing many of you over the holidays. It's always great to get your updates too :)

We enjoyed the opportunity to travel over the holidays and we've also loved having a handful of visitors over the past few months! Thanks to everyone who made a trip out here even in the COLD Chicago winter season!

Our goal is to keep you updated on our lives by sending out this newsletter every other month via email. We are blessed to have such supportive family and friends. Know that your prayers, love and encouragement mean the world to us.

January was a busy month for the Rozkos. JR's brother, Adam was with us for 10 days over the new year and Amy's aunt, uncle, and several cousins came by for dinner and games on Dec. 31!

Mid-January it became clear we needed to replace one of our cars. JR's Maxima has given him/us many miles of wonderful service but needed repairs beyond our budget. We were blessed to find another '01 Maxima in our price range with less miles and were able to sell the old car for a good price.

We also found out this month that the sale on JR's house in Ohio will not go through in April. We are doing our best to work with the realtor from a distance and get the house back on the market.

JR has recently become involved with Northern Seminary as a consultant and facilitator of a project they are conducting on theological ed. as well as assisting with some of their communications efforts. He has also been assisting ITeams with several special projects.

We were part of an annual [Missional Learning Commons](#) in Ft. Wayne in January where we were part of some great discussions on Missional Church.

Amy has been chosen as a US delegate to the Lausanne Conference in Cape Town, South Africa (Oct. 2010). In preparation, she was in Dallas for a few days to participate in a pre-conference seminar. Amy is responsible to raise funding for her participation in this event.

We've just begun co-teaching a 13-week pre-baptism class for a number of adults at [Life on the Vine](#).

Two of JR's former students have asked him to help officiate their weddings this summer and we will be starting to take each of these couples through some pre-marital counseling in February.

Amy was asked last minute to take a speaking engagement at [Judson University's](#) chapel on Monday, February 8. Amy has been hoping and praying for more opportunities to get connected.

Feb. 15-18, we'll be participating in [Ecclesia's](#) national missional church planting conference. The following weekend, Amy is involved in a conference at ITeams and co-teaching a class on missions at Willow Creek.

Beautiful Home for Sale or Rent in lovely Canton, Ohio!

We found out that the sale of JR's house in Ohio fell through in late January. Therefore we are in the process of getting the house back on the market. If you know of anyone in the Canton, OH area in need of temporary or permanent housing the house is available as of April 1. We are really hoping we can sell or rent this house very quickly.
